I, ____________________________, certify that the information under sections 1, 5 and 6 above is accurate and that I am requesting approval to use a Prohibited Substance or Prohibited Method from the WADA Prohibited List. I authorize the release of my personal medical information to the IAAF and to members of the IAAF Therapeutic Use Exemption Sub-Commission (IAAF TUESC), as well as to any other relevant persons who may be involved in the management, review or administration of my application in accordance with IAAF Anti-Doping Regulations (including, where applicable, WADA or IOC staff and/or members of the WADA or IOC Therapeutic Use Exemptions Committees) and to other ADO TUECs and authorized staff that may have a right to this information under the World Anti-Doping Code and/or the International Standard for Therapeutic Use Exceptions. I understand that the members of IAAF staff and the IAAF TUESC involved in the administration of TUE applications will not disclose any of my TUE related information beyond those persons with a need to know according to the IAAF Anti-Doping Regulations.

I understand that, if I ever wish to revoke the right of the IAAF TUESC to obtain my health information on my behalf, I must notify my medical practitioner and the IAAF in writing of that fact. I also understand that, if I withdraw my consent to the release of my personal medical information, I may not receive approval for a TUE or the renewal of an existing TUE, since no TUE can be granted or renewed without the disclosure of comprehensive medical data. I am aware that an application for a TUE requires the processing (for example, transmission, disclosure, use and storage) of all data pertaining to such application through relevant administration/data management systems, including those at the IAAF and the Anti-Doping Administration and Management System (ADAMS), to ensure harmonized, coordinated and effective Anti-Doping programmes for detection, deterrence and prevention of doping. By signing this form, I consent to such processing of my TUE related data.

I authorize the decision of the IAAF TUESC to be notified to other relevant organizations in accordance with IAAF Rule 34.9. I understand and agree that if a TUE is granted, such TUE and the related information will be stored electronically in ADAMS for a minimum period of 10 years, the period of 10 years being the period within which an action can be commenced following an Anti-Doping rule violation under IAAF Rules.

I understand and accept that the recipients of my information and of the decision on this application may be located outside the country where I reside. In some of these countries data protection and privacy laws may not be equivalent to those in my country of residence.

I understand that if I believe that my Personal Information is not used in conformity with this consent and the International Standard for the Protection of Privacy and Personal Information, I can file a complaint to WADA or CAS.

WITHDRAWAL OF CONSENT

I understand that I may at any time revoke my consent for the processing of my TUE related data through the relevant administration/data management system, including ADAMS. I understand however that, as a consequence of such withdrawal of consent, I will not receive approval for a TUE or a renewal of an existing TUE.

RELEASE

I hereby release the IAAF and the IAAF TUESC from all claims, demands, liabilities, damages, costs and expenses that I may have arising in connection with the processing of my TUE related data.
